

Ah

Guess who's back, ha ha

Listen

First off, fuck your bitch and the click you claim  
N'krahasim me kto bitches, man, we're not the same  
Dojn krejt me m'dissirat për fame  
Hala t'prekim n'buk hala guhen ta prej  
Tri kerre parkum dy kerre pa pun  
Femna jote çika jem sodë bukes gatun  
Kon bre kto e harrun kto hip-hopin ku e msun  
Me nivel tem ti kurrë s'ki fat me pas pun  
And all I know is hustle  
Bej perandori stay away from my castle  
Nuk kam hi n'kurrqjo se çdoherë unë jam esell  
Personalitet ju kam hi unë si puzzle  
Kqyre e kapi histeria tutet, ju kry historia  
Shoh qe po lyp mizoria narcisite fantazia  
Najher e kap nostalgjia qysh si eci llogaria  
Po e nalt o krenaria shpirt i humbur rehatia

You're not running from me  
You will get shoot in the head  
If you're running from me  
Running from me  
You're not running from me  
You will get shoot in the head  
If you're running from me  
Running from me

You better run po folin te tan  
Kush provokon edhe kush xhelozon  
Qysh t'konvenon n'kryt tan supozon  
Veç edhe ni zo me ta ni fluturon  
I du dy metra me tri presje, six figures  
Qe vjen tjetra ngoj rimat ka pull triggers  
Hala e vjetra m'keni lyp, jom the biggest  
S'du me pas t'bej pun me gold diggers  
E kom zemren e mirë ama gjithë jam kon rebel  
Kam dol mo s'pom thirr ngaqë dancing with the devil  
Po thot si ti s'kom pa po na s'jena t'njejtin level  
Ngoje mirë na nuk jena t'njejtin level

You're not running from me  
You will get shoot in the head  
If you're running from me  
Running from me  
You're not running from me  
You will get shoot in the head  
If you're running from me  
Running from me
