

DADDY KEEPS CALLING

Tchami

Oh, how do ya know? ha, ha, ha

Ooh Lord, burning up, don't take me till I had enough
Red light booming in, losing control on the floor again
Daddy keeps calling (oh no), don't want no problem (y'all know)
When the rhythm in my bones takes on, I won't go

(Yeah, hey, come on, hey-yeah-yeah)

I won't go

Daddy keeps, daddy keeps, daddy keeps, daddy keeps
Daddy keeps, daddy keeps, daddy keeps calling

Daddy keeps, daddy keeps, daddy keeps calling
Daddy keeps, daddy keeps, daddy keeps calling
Ooh, lord, burning up, don't take me till I had enough
Red light booming in, losing control on the floor again
Daddy keeps calling (oh no), don't want no problem (y'all know)
When the rhythm in my bones takes on, I won't go

I was moving through the storm
Walk on water, I'm reborn
Pull the sword out from the stone
Hold on tight (oh), I won't go
Let the rapture take me home (take me home)
Let the choir sing my song, oh
Daddy keeps calling, daddy keeps calling
Daddy keeps calling (oh-oh)

Ooh, lord, burning up, don't take me till I had enough
Red light booming in, losing control on the floor again
Daddy keeps calling (oh no), don't want no problem (y'all know)
When the rhythm in my bones takes on, I won't go

I won't go, I won't go, I won't go, I won't go
I won't go, I won't go, I won't go, I won't go
I won't go, I won't go, I won't go, I won't go
Daddy keeps, daddy keeps, daddy keeps, daddy keeps
Daddy keeps, daddy keeps, daddy keeps calling

Daddy keeps, daddy keeps, daddy keeps calling
When the rhythm in my bones takes on
Daddy keeps, daddy keeps, daddy keeps calling
Ooh, lord, burning up, don't take me till I had enough
Red light booming in, losing control on the floor again
Daddy keeps calling (oh no), don't want no problem (y'all know)
When the rhythm in my bones takes on, I won't go
