

Damaged Hearts

Tchami

Take your time
Don't be quick to change your mind
And I'll run to one far
Never run with a damaged heart

Take your time
Don't be quick to change your mind
And I'll run to one far
Never run with a damaged heart

Take your time
Don't be quick to change your mind
And I'll run to one far
Never run with a damaged heart

Take your time
Don't be quick to change your mind
And I'll run to one far
Never run with a damaged heart
