I was born and raised in a ghetto
I was born and raised in a ghetto
I'm a woman of the ghetto
Listen to me, legislator

How do you raise your kids in a ghetto
How do you raise your kids in a ghetto
Feed one child and starve another
Tell me, tell me, legislator

How do you make your bread in the ghetto?
How do you make your bread in the ghetto?
Baked from the souls of the dead in the ghetto
Tell me, tell me, legislator

I was born and raised in a ghetto
I was born and raised in a ghetto
I'm a woman of the ghetto
Listen to me, legislator

How do you raise your kids in a ghetto
How do you raise your kids in a ghetto
Feed one child and starve another
Tell me, tell me, legislator

How do you make your bread in the ghetto?
How do you make your bread in the ghetto?
Baked from the souls of the dead in the ghetto
Tell me, tell me, legislator
