

Heartless

Tchami

I know
That you know how to make it simple
For us
And keep in
Keep in mind that this is something
That takes two

Now I'm waiting on the side
But you left me way behind
Can we stop and take a break
To make things right?

I know
That you know how to make it simple
For us
And keep in
Keep in mind that this is something
That takes two

Now I'm waiting on the side
But you left me way behind
Can we stop and take a break
To make things right?
