

Make Amends

Tchami

I miss the things out of proportion
'Cause I need to see the way that we act
I'm not so good for your intention
Guess I get a little jealous like that

So let my body tell you how sorry I am
I'm just messing up, so we can make amends
We gotta make amends

I miss the things out of proportion
'Cause I need to see the way that we act
I'm not so good for your intention
Guess I get a little jealous like that

We gotta make amends

(To hold you I hope
To hold you I hope
To hold you, to hold you I hope
