

# My Place

Tchami

I feel like I'm drowning  
All the time  
I think the walls are craving  
To you and I  
We're goin' down  
I feel like I'm drowning  
All the time

For me  
For me  
For me  
For me

Motherfuck--

It's all noise  
Motherfuck-- Can you bring that  
It's all noise

For me  
For me (It's all noise)  
For me  
For me  
For me

I feel like I'm drowning  
All the time  
I know the walls are craving  
For you and I  
We're goin' down, down, down  
'Cause I feel like I'm drowning  
All the time

For me  
For me  
For me  
For me

Motherfuck--

It's all noise  
Motherfuck-- Can you bring that (For me)  
It's all noise (For me)  
Motherfuck-- Can you bring that (For me)

For me  
For me (It's all noise)  
For me  
Motherfuck-- Can you bring that (For me)  
For me (It's all noise)  
For me  
For me
