

Ride Out

Tchami

I know love, I know hate
Went through pleasure, went through pain
If I die before I wake up
Pray the Lord my soul to take us
I made mistakes, but for you I'll change
For you I'll pray

Oh, oh
Girl you saved me, saved me
Every time you call me
Oh, oh
I go crazy, crazy

We'll ride around girl, I'ma ride out
Hit my phone and I'll be right there
'Cause I know you've been through it all, oh
We'll ride around girl, I'ma
Ride around girl, I'ma
Ain't no tomorrow but this right now
Just let me know and I'll be right there
'Cause I know you've been through it all, oh
I see your pain and girl, now I'll take it all
Now I'll take it all

Right now

I've been high, I've been low
I've been down this road before
I've been rolling with the motion
Lost until you showed me
It's okay to break
It's okay to change
But for me I pray
Eh, eh, eh

Oh, oh
Girl you saved me, saved me
Every time you call me
Oh, oh
I go crazy, crazy

We'll ride around girl, I'ma ride out
Hit my phone and I'll be right there
'Cause I know you've been through it all, oh
We'll ride around girl, I'ma
Ride around girl, I'ma
Ain't no tomorrow but this right now
Just let me know and I'll be right there
'Cause I know you've been through it all, oh
I see your pain and girl, now I'll take it all
Now I'll take it all
Right now

Right now

Right now
Just let me know and I'll be right there

'Cause I know you've been through it all, oh
I see your pain and girl, now I'll take it all
Now I'll take it all
Right now
