Shine On

Tchami

```
If you don't mind
Take a trip with me
Way back

If you don't mind
Take a trip with me
Way back
Oh let's go back for a moment

If you don't mind
Take a trip with me
Way back

If you don't mind
Take a trip with me
Way back
Oh let's go back for a moment

If you don't mind
Take a trip with me
Way back

If you don't mind
Take a trip with me
Way back
Oh
Will you help me sing it again?
```
