You, answer for you
And when I see you there, I know it's true
You, answer for you
I need to know if you can feel the same as I do

You are always thirsty for the lovin'
Making me feel like I'm not worth something
While you are playing these games like I'm a fool
Knowing full well that I want you
Now that's just cruel
And you know it's true

We have been through too much for you to let go
To let go
Tell me how you feel and we can take it slow
Take it slow
Take it slow
(Once again)
Take it slow
(Once again)
Take it slow
(Once again)
Take it slow
(Once again)
