

# Lights Out

TCTS

You got some secrets that I wanna know  
I got some feelings that I wanna grow  
I gotta figure you out, out  
I gotta figure you out, out

Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out

I always think of you when I'm alone  
We got a problem, you're letting it show  
I gotta figure you out, out  
I gotta figure you out, out

Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the l-

All these stupid games  
Messing with my brain  
Playing with your mind, with your mind  
(Baby turn the l-)  
Wanna see your lows, can you let it show?  
Wanna see your highs, see your highs

Baby turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby turn the l-

Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out  
Baby, turn the lights out
