

Masquerade

TCTS

Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me

I got this feelin' for ya, my darlin'
Can't deny that you are the one I adore
Got this feelin' for ya, my darlin'
Can't deny that you are the one I adore

Tell me what you want, tell me
What you want, tell me
What you want, tell me
What you want, tell me
Stop living this masquerade, yeah

Stop living this masquerade, yeah
Oh, oh, oh, oh, oh
Stop living this masquerade, yeah

Tell me what you want from me, yeah
Tell me everything you need
Got you in my space, now we're face to face
Stop living this masquerade, yeah

Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me

I got this feelin' for ya, my darlin'
Can't deny that you are the one I adore
Got this feelin' for ya, my darlin'
Can't deny that you are the one I adore

Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Tell me what you want, tell me
What you want
Stop living this masquerade, yeah
Tell me what you want from me, yeah

Tell me everything you need
Got you in my space, now we're face to face
Stop living this masquerade, yeah

Stop living this masquerade, yeah

Tell me what you want from me, yeah

Tell me everything you need

Got you in my space, now we're face to face

Stop living this masquerade, yeah
