

Sarge

TCTS

Impeccable Flows
Dress Code Suave
Livin' La Vida Loca
I'm large
London, New York, Canada, Prague
Paparazzi snap shots, check my collage
Infiltrate music like espionage
I do breakbeats, funky, yes and garage
Sing them like a barge
Salute I'm your captain so call me sarge

Ravey
Probably
There isn't much less stopping me
Some might wanna even copy me
You're not hitting the microphone properly
Ravey
Probably
Heaviest sparks on the melody
You're not hitting the microphone properly
Never be
Never be
