

Baby, I'm always dreaming  
I dream when I wake  
My minds going round in circles  
I can't get a break

I'm holding on  
Our love  
I'm holding on  
Our love  
I'm holding on and on and on and on and on  
I'm holding on  
Our love  
I'm holding on  
Our love  
I'm holding on and on and on and on and on

I only think about, think about us  
I only think about us  
I only think about, think about us  
I only think about us

Us  
Us  
Us  
Us

We could be never ending  
Every day  
I don't want to let you go love  
I want you to stay

I'm holding on  
Our love  
I'm holding on  
Our love  
I'm holding on and on and on and on  
I'm holding on  
Our love  
I'm holding on  
Our love  
I'm holding on and on and on and on

Oh  
I only think about, think about us  
I only think about us  
I only think about, think about us  
I only think about us

Us  
Us  
Us  
Us

I only think about us...

I only think about, think about us  
I only think about us

I only think about, think about us  
I only think about us
