

Without You

TCTS

Without you
Without you
Without you
Without you
Without you
Without you
Without you

I don't know what I would do

Without you
Without you
Without you
Without you
Without you
Without you
Without you

I don't know what I would do

I know that I'm caught in a riptide
When you're around, I come back alive
I need you just right by my side
I don't know what I would do

Without you
Without you
Without you
I don't know what I would do
Without you

I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do

I don't know what I would do

Without you
Without you

I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do
I don't know what I would do

I don't know what I would do

(I don't know what I would do
I don't know what I would do)
I don't know what I would do
Without you
(I don't know what I would do

I don't know what I would do)
Without you
(I don't know what I would do
I don't know what I would do)
Without you
(I don't know what I would do
I don't know what I would do)
I don't know what I would do
Without you
