

Get Away (Away From Here)

Teairra Mari

Sometimes ..

I Just Need To Get Away,
I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

The Pressure Is High,
So Many Ways For Me To Trip And Fall Flat On My Face,
And I, I Wonder Why,
Is It So Easy For The Waves To Come Crash Down On Me,

Tell Me Whhyy,
Things Are So Tricky And Dangerous,
I Know Theres No Such Thing As A Perfect World,
But Does It Have To Be This Way,
Tell Me,
Sometimes I Just Wanna Get Away,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

I Refuse To Let Things Get Me Down,
Cause I Know The Rain Is Not Gonna Stay Always,
(Its Gonna Go Away)
But I Cant Help The Fact That It Gets To Me,
And Seems That It Will Never Stop Pouring,
And I Dont Know What Im Gonna Do,
Things Are So Tricky And Dangerous,
I Know Theres No Such Thing As A Perfect World,
But Does It Have To Be This Way,
Telll Meee...
Sometimes I Just Wanna Get Away,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,

And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

Lovely, Skinny, My Wings, So I, Can Fly Like A Angel,
And Escape This Place,
Lord Please Give Me My Wings So I Can Fly Like A Angel And Escape This Place
,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

I Just Wanna Get Away,
To My Hide Away,
So Blue The Sky Where The Birds Are Free,
And If Your Feeling Me,
Come With Me,
Will Be In The Clouds Worry Free,

Up In The Sky... (Oohh)
I Just Wanna Get Away... Worry Free,
And If Your Feeling Me,
I Just Wanna Get Away,
I Gotta Get Away,
I Just Wanna Get Away.
