

Love Making

Teairra Mari

Hold up, baby, what we're doing?
Why are we always getting to it?
I'll scream at you 'cause silly don't fix nothing.
I don't really feel like fighting,
And boy, I look too good for crying.
Here's my suggestion, let's take this digression.

Take it all out on the bed, get the fight out of your head
What you're gonna do, do, do, baby?
Why don't we just skip the break up, so we can it to the make up
Make me say uh, uh, uh.

I love it when you touch me like that, do me like that,
Baby, I love when you take it, all of this love that we're making.
Touch me like that, do me like that.
Baby, I love when you take it, all of this love that we're making.
Touch me, baby, touch me, baby.

If you're mad, then baby, use it,
Glad we decided to do this,
It feels so much better, so from now on whenever
We're about to have another problem,
This will always fix the problem.
Don't forget my suggestion, let's take this digression.

Take it all out on the bed, get the fight out of your head
What you're gonna do, do, do, on top of me?
Why don't we just skip the break up, so we can it to the make up
Make me say uh, uh, uh.

I love it when you touch me like that, do me like that,
Baby, I love when you take it, all of this love that we're making.
Touch me like that, do me like that.
Baby, I love when you take it, all of this love that we're making.
Touch me, baby, touch me, baby.
Touch me, baby, touch me, baby.

Anywhere you wanna, put your hands on me, boy, 'cause I can take it,
baby.
Don't go out, baby I'm ready for the fin, don't leave out nothing at
all.

Come on, baby,
Touch me right there.
Touch me like that, do me like that,
Baby, I love when you take it, all of this love that we're making.
Touch me like that, do me like that.
Baby, I love when you take it, all of this love that we're making.
Touch me, baby, touch me, baby.
Touch me, baby, touch me, baby
