

## A.J. and Leo

Team Me

[Verse 1]

Leo kravis king  
A.j and her crew  
Were all mesmerized  
By those diamond eyes  
The lizard king can sing

A.j never knew  
Never knew the rules  
Hands touching ties  
Lips cold as ice  
The lizard king can sing

[Verse 2]

Let's run let's run let's leave  
This shithole makes us weak  
This shithole takes a dump  
For every star that's born  
For every queer that smiles

Leo kravis king  
The theatre was blind  
Leo is in charge  
The lizard king can sing  
Cos the lizard king is king

[Outro]

These magic moments  
Holy seconds  
All alone  
All alone  
Bloodshot eyes staring at you  
Makes you nervous  
Shout and scream  
Shout and scream  
Shout and scream  
Wings are broken  
Goals are gone  
Feed the hunger  
Do it now  
Before you end up like a sister  
Lost at sea  
Just like a sister  
Lost at sea
