

Did We Lose Something Here

Team Me

i'll burn all my scores
i'll burn everything
i'd do it all for you
i'd change it all for you
'cause in the end there's always songs about my lies
songs about my fights
songs about those songs
i love to death and wish for mine
did we lose something here?
are you scared?
can we go back to start
did we lose something here?
are you scared?
can we go back to start?
i'll burn all my notes
i'll burn everyone
i'd do it all for you
i'd change it all for you
'cause in the end there's always songs about my lies
songs about my fights
songs about those songs
i love to death and wish for mine
did we lose something here?
are you scared?
can we go back to start
