

## The Future In Your Eyes

Team Me

Same old, stuck in the same old pattern  
With you  
Hold on, we're not getting younger  
So tell me what you wanna do

I can see the future in your eyes  
So you don't have to keep them telling lies  
I can see my future in your eyes now  
I can see the end of you and me

Same old, stuck in the same old pattern  
With you  
Hold on, nothing's forever  
I promise you

Wrong side, you're on the wrong side  
How could you do what you did  
And then just disappear  
And then just disappear

I can see the future in your eyes  
So you don't have to keep them telling lies  
I can see the future in your eyes now  
I can see the end of you and me
