

I've Got Secrets

Tear Out the Heart

I've got secrets that I'm keeping.
I've got demons in my head.
I've been hoping I'd stop thinking and the past would JUST STAY
DEAD.

I can KICK and I can SCREAM but in the end it won't change a si
ngle thing.
I can trick, I can scheme, but that's just not me.

I've felt this coming for quite some time.
I hope and I pray that everything will be alright.
THIS ISN'T OVER.

I've got secrets that I'm keeping.
I've got demons in my head.
I've been hoping I'd stop thinking and the past would just stay
dead.
I can kick and I can scream but In the end it wont a change a t
hing.
I've been hoping I'd stop thinking and the past would just stay
dead.

I often lose track of time.
There's just so much on my mind.
Before there wasn't much, now I feel like I've had ENOUGH.

I've been this way for all of my life.
Just know this isn't over yet.
I'll land on my feet, on that you can bet.

Quit putting words in our mouths.
WE'VE HAD IT UP TO HERE.
I'm through with playing nice.
You're full of SHIT and LIES.
