

# Hold On, We're Going Home

**Tebey**

I got my eyes on you  
You're everything that I see  
I want your hot love and emotion, endlessly  
I can't get over you  
You left your mark on me  
I want your high love and emotion, endlessly

'Cause you're a good girl and you know it  
You act so different around me  
Yeah you're a good girl and you know it  
I know exactly who you should be

Just hold on, we're going home  
Just hold on, we're going home  
It's hard to do these things alone  
Just hold on, we're going home

I got my eyes on you  
You're everything that I see  
I want your hot love and emotion, endlessly  
I can't get over you  
You left your mark on me  
I want your high love and emotion, endlessly

'Cause you're a good girl and you know it  
You act so different around me  
Yeah you're a good girl and you know it  
I know exactly who you should be

Just hold on, we're going home  
Just hold on, we're going home  
It's hard to do these things alone  
Just hold on, we're going home

You're the girl, you're the one  
Gave you everything I love  
I think there's something, baby  
I think there's something

Just hold on, we're going home  
Just hold on, we're going home  
It's hard to do these things alone  
Just hold on, we're going home
