

# Holladay Inn

**Tebey**

I've got a key to the room with a view of the parking lot  
And take the stairs in the back so nobody gonna know what's up  
I got the tub full of ice with the beer and the chilled Patron  
I got the Dierks and the 2Pac ready on the iPhone

Hey, and call all your friends  
'Cause tonight we go big at the Holladay Inn  
Say hey, and call all your friends  
'Cause tonight we go big

We can party like we own it, if we want  
We can drive it like we stole it, if we want  
Till it's 6 in the morning, if we want  
If we want, light it up  
And blow smoke out the window, if we want  
Shake the feathers out the pillows, if we want  
Like a Jay-Z video, if we want  
If we want, so come on  
Hey

You can dance on the bed or the desk if you're in the zone  
You can crash on the couch if you don't wanna Uber home  
And if it gets too hot we can take it down to the pool  
Jump in with your clothes, no you don't need a bathing suit

Hey, and call all your friends  
'Cause tonight we go big at the Holladay Inn  
Say hey, and call all your friends  
'Cause tonight we go big

We can party like we own it, if we want  
We can drive it like we stole it, if we want  
Till it's 6 in the morning, if we want  
If we want, light it up  
And blow smoke out the window, if we want  
Shake the feathers out the pillows, if we want  
Like a Jay-Z video, if we want  
If we want, so come on
