

Oh

I'm unforgiven for runnin the way I'm livin n I
Ain't got no reason to leave it but you believe in me n
I'm tired of runnin n gunning for something else like
I wanted nothin but music n lovin outright
I think I left n went distorted for a minute
Ate a little bit a liquid got me spinnin n I think I'm
I'm finished in 41 days
I'm finished in 41 days

Zion setter I am clever specially when I'm high as ever
Flyin steda die in debt another shredder slidin cheddar
Some suck plentiful from bucks then it go brung us dinner no bu
ns just bit a loaf
One ducks in a hole some lost sinner souls unjust men are so un
fuckwitable

Oh
Oh

Been feelin sickened I'm wishin for somethin lighter here
Stuck in a stiffened position but this a rider here
Might need a frickin magician to rid this stricken condition
But a top musician got it written in like about a year
My walkin lately been shaky but I'm steady
This music make me feel greatly an I'm ready
I'll finish in 41 days
I'll finish in 41 days

(I'll finish in 41 days)

I'm unforgiven for runnin the way I'm livin n I
Ain't got no reason to leave it but you believe in me n
I'm tired of runnin n gunning for something else like
I wanted nothin but music n lovin outright
