Listenen hard when I give my heart is it Delusional.
When I'm thinkin ima boss in the biz but I'm lost and I fake it that I'm off
In the lid but they pay the cost when it is dark at the crib

Some say that if tell them to hate my people are at the gate ready for
Sealin your fate that is up for debate cause when I make my music aint no
Evil from mister yates callin me
A cult leader I don't really know but ima fosho heater wickedness commin

Steeple the reason they seizin me aint no decreasin my ego my powers for
Good I think would I shrink if somebody took away how good I ink but that
Would never happen I'm makin it with the rappin but they want me to collapse
