

# Dial It Back

Tech N9ne

Oh my bad that was not the intention I had  
Didn't mean to make you feel some kind way  
Please excuse the outta me cause I'm not flexin  
Please excuse the outta me cause I'm not flexin

They think I'm full of myself when I speak about my evolution  
A better me come off reducin sorry I didn't mean to be a nuisance  
I just love ta tell my story how I came from grit to glory  
I guess some people living poorly ain't really feeling rootin for me  
Or using me for motivation but I guess we have no correlation  
Winnin in this occupation some of them feel it's bout as real as animation  
I'm proud that I'm elevated surviving my sick should be celebrated  
Not inferior to me man I hella hate it  
How I spoke made em fee less than me a fella stated  
When I speak it's to help and not hurt you  
I wanna bring more power to ya self and not curse you  
When you feel like that I wanna yell  
Till I'm purple tale is to perk you but the jealous will jerk you (chyeah)  
What's foul is that I'm tryna elevate you with a smile in fact  
But you on childish crap so while it's wack dial it back

Dial it back, yeah  
Dial it back leave it in the past don't ever look back  
They don't see what I see just see bad things  
I'd still bet it on me a few still lasting  
Please excuse me I'm not flexin just proud of me  
Dial it back, dial it back

Tips that'll get you further you like blah blah blah  
You feel you're beneath and look at me like jah Allah  
I can't control your emotions was just trying ta throw you a token  
But when me words are spoken ya hands over ears like la la la  
Like them rotary dial phones all I told'll be now gone  
They don't notice me how wow totally totally styled wrong  
Stay feelin defeated (chyeah) how I'm just bein facetious (chyeah)  
How ya gonna silence your teachers feelin  
That I'm more than you while I deliver my speeches (chyeah)  
Excuse the outta me though I guess ya think it's my ego  
If less words can bring about peace yo I'mma delete mo love I speak bro (chyeah)  
My life lessons they got you real fed up  
So I'mma dial it back homie so that you feel betta

Dial it back, yeah  
Dial it back leave it in the past don't ever look back  
They don't see what I see just see bad things  
I'd still bet it on me a few still lasting  
Please excuse me I'm not flexin  
Just proud of me  
Dial it back, dial it back

If the streets close the journey won't end  
Any roadblocks that was ever in my way  
I just knew I had to make a change  
I just knew I had to make a change  
Dial it back, yeah (go and dial it back)  
Dial it back leave it in the past don't ever look back

They don't see what I see just see bad things (just see bad things)  
I'd still bet it on me a few still lasting  
Please excuse me I'm not flexin just proud of me  
Dial it back, dial it back
