

# Don't Let Me Fall

Tech N9ne

Yeah, yeah, yeah, yeah  
We be like (Do, do, do)  
It goes up  
Kali!  
I be like (Do, do, do)

Aye  
I'm living it up  
Not giving a fuck  
Bumping till people clutching this hella strong liquor in my cup  
But they all digging abrupt  
Cause they know a nigga be ripping the cut  
They listen to us, but not tonight because I'm fixing to rush the twist in t  
he guts  
Don't let me fall mama  
Bet not one of you call drama  
Just wanna hit all nana at the crib and forget like Alzheimer's  
All kinds of twisted because I double fist  
Lots of lick and spliff hits in triplets, bitch

She give me love when I need it  
We be hella weeded  
Lick it up, drink it up  
Run it back, repeat it  
I be getting money  
Winning, undefeated  
If I make it home, I'ma beat it

Just don't let me fall  
Oh no, no, no  
They're not for me yet  
Just don't let me fall  
No, no, no no  
When I'm home, I'ma giddy it  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)

Boo you're cuter  
Than all of these medulla cougars  
Try'na give you head, wanna make you the hookah  
Try'na kiss my bitch, baby don't kiss her cause I heard she chew Bazookas  
Her Uber driver got the lou, blew the tubas, told the bitch a Uber Louber  
Hey Uber Louber, go away Uber Louber  
Uber Louber, night and every given day Uber Louber  
Stay Uber Louber, where you lay Uber Louber  
Uber Louber, I'ma have to say the nay Uber Louber  
No lit points, gonna lay and bout to go get boink  
See if anybody notice oinks  
If you don't let's blow this joint, pun intended  
All that I really want is the drawers  
But let me pause at the star or la car, tell 'em

Just don't let me fall

Oh no, no, no  
They're not for me yet  
Just don't let me fall  
No, no, no no  
When I'm home, I'ma giddy it  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)

Made it home, we did it  
I am still committed  
Got whiskey dizzle mane, I'm boutta hit it  
Really wanna try to vet it but I'm dizzy I admit it  
Goin' give it, now she livid cause in the morning I forget it  
Girl quit it

She give me love when I need it  
We be hella weeded  
Lick it up, drink it up  
Run it back, repeat it  
I be getting money  
Winning, undefeated  
If I make it home, I'ma beat it

Just don't let me fall  
Oh no, no, no  
They're not for me yet  
Just don't let me fall  
No, no, no no  
When I'm home, I'ma giddy it  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)  
Just don't let me fall  
No, no, no no  
Don't let me fall (Do, do, do)

Yeah, it's on  
As soon as I get home  
Somebody call me an Uber  
Don't bring the Uber Louber, though  
So I can get home
