

# F'n Do It

Tech N9ne

What's with it?  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Tech N9ne, big shit  
I wasn't planning, no, no  
This thing is jamming so I can feel it

(In the air)  
I can feel it, I can feel it (In the air)  
I can feel it, I can feel it (In the air)  
I can feel it, I can feel it (In the air)  
Ayy, tonight I wasn't gonna drink, but I'ma do it

Do it, do it, 'cause I elevate  
Do it to it 'cause I sell estates  
Do it fluid, I'ma celebrate  
'Cause I rock a lot and pocket hella cake  
If I don't do it then I delegate  
Then you do it while I get my fella ate  
Then I gel her face  
Damn, the Tech is undetected like when you don't smell a vape  
We the party  
Smoke a lot of weed, B. Marley  
If you meddle with the cheese, he tardy  
Time to kill, indeed, see Carly  
I don't be playing, I'ma be spraying  
Fuck with the N9na, your body decaying  
Hold up, we talking 'bout drinking, yo, what am I thinking?  
This 'Bou Lou thing is really paying  
I knew it (Hell yeah), I pursue it (Fuck yeah)  
Hit the hammer, have 'em hit a Howard Hewett (Huh, huh)  
Don't misconstrue it, at first I said I wouldn't drink no fluid  
But I couldn't resist, I blew it

Tonight I wasn't gonna drink, but I'ma do it  
Ayy, ayy, fucking do it  
Tonight I wasn't gonna drink, but I'ma do it  
Ayy, ayy, fucking do it  
Tonight I wasn't gonna drink, but I'ma do it, do it, do it  
What you waiting on?  
Do it, do it, do it  
What you waiting on?  
Do it, do it, do it  
What you waiting on?  
Do it  
Tonight I wasn't gonna drink, but I'ma do it

Whatever I wanna do  
Swimming in liquor like pools  
I get to the business, my digits, I flipped 'em  
No really the kid making moves  
I do it like checks on my shoes  
I don't notice when checks coming through, yeah  
She give me long neck like giraffes  
I swear that they head from the zoo  
Told Tech gotta keep up  
Shots to the chest, goddamn, make it heat up

Somebody talking I put 'em right in the carpet  
If they starting a problem, I call Muggs, they get beat up  
Told him he got four more for sure  
Flow cold, snow-globe  
More slope out my mag, that's how I treat them  
Hit 'em with a Speedom  
He didn't wanna do it, but I got a little fluid in me, so a nigga eat 'em  
I'm on Ciroc or the Henny, yeah  
How much you got? I got plenty, mmh  
She from the block just like Jenny, yeah  
Swear that I'm on with no penny, mmh  
That's a fact or a Vinnie (Yup)  
Hit it from the back when I'm cracking a jimmy (Yup)  
Ass look fat, then I smack when I'm hitting, get it?

Tonight I wasn't gonna drink, but I'ma do it (Do it)  
Ayy, ayy, fucking do it (Do it)  
Tonight I wasn't gonna drink, but I'ma do it (Do it, yeah)  
Ayy, ayy, fucking do it (Do it)  
Tonight I wasn't gonna drink, but I'ma do it (Do it), do it (Do it), do it (Do it)  
What you waiting on?  
Do it (Do it), do it (Do it), do it  
What you waiting on?  
Do it (Do it), do it (Do it), do it (Do it)  
What you waiting on?  
Do it (Do it, do it)  
Tonight I wasn't gonna drink, but I'ma do it

I'ma just have one, make it a double  
I'ma just sip mine, I'm tryna stay out of trouble  
Here's the humble beginnings, then I'm done after this  
Or I'm having mixed drinks about feelings now, damn, ain't that about a bitc  
h?  
Said they cut off of all beverages  
Right back at it like a bad reader  
Get shitfaced like an ass eater  
You can tell that I'm blown like a bad speaker  
Happy to sag with it out, savvier  
Got bad habits, I'm a gas leaker  
Had a half from 'em, looking magnesias  
But don't have what she's had, 'nother bag eater  
Can I get a cold 'Bou Lou in a coozie?  
Jack D, back to back shots of Coolie  
Then chugging the backwash of a brewski  
Get the crew, we grouping with a doobie  
With the shits, bro, get to it  
Get twisted with the whole hood  
Once it hits your lips, it's so good

Tonight I wasn't gonna drink, but I'ma do it  
Ayy, ayy, fucking do it  
Tonight I wasn't gonna drink, but I'ma do it  
Ayy, ayy, fucking do it  
Tonight I wasn't gonna drink, but I'ma do it, do it, do it  
What you waiting on?  
Do it, do it, do it  
What you waiting on?  
Do it, do it, do it  
What you waiting on?  
Do it

Tonight I wasn't gonna drink, but I'ma do it
