

Fucked Up Day

Tech N9ne

We about to slow it down a little bit for y'all at the Palace tonight
Free Caribou Lous for the next 5 minutes
At the bar, my boy Scoob is servin' them up
'Bout to slow it down a little bit
You know what I'm sayin, we got a little treat for y'all
My homegirl also on Midwestside Records
I want everybody, give it up to Charmelle Cofield!

(Let me)
Let me warn ya
Warn ya (Let me warn ya)
(I'm having a fucked up day, today)
Having a fucked up day today
Let me warn ya (Let me)
Warn ya (Warn ya)
(I'm having a fucked up day today)

You're my man, but
Let me warn you
Today just ain't been my day
So many crazy things going on and going wrong
Seems as if I'm gonna have a fucked up day

(Let me)
Let me warn ya
(Warn ya)
(I'm having a fucked up day, today)
I'm having a fucked up day today, oooh
Let me warn ya (Let me)
(Warn ya)
(I'm having a fucked up day today)

All the shit that should've went right went so wrong
I have nobody left that I can call my own
So many stupid silly games that people like to play
I think I'm gonna have another one of those fucked up days today

(Let me warn ya)
Let me warn you, yeah
(I'm having a fucked up day, today)
Im having a fucked up day today
(Let me)
Let me warn you
(Warn ya)
Can you let me warn ya
(I'm having a fucked up day today)
I'm having a fucked up day today

Baby, let me warn you
(Let me)
Let me warn you
(Warn you)
I'm having (I'm having a fucked up day, today)
I can't help it but I'm having a fucked up day, today
(Let me)
Today, today
(Warn ya)

(I'm having a fucked up day, today)
I'm having a fucked up day, today
I don't know what more to say but I'm having a fucked up day, today

Give it up for my girl, Charmelle Cofield, wooh, shit
Charmelle Cofield, y'all, Midwestside Records, up and coming
