

He's A Mental Giant

Tech N9ne

He's a mental giant, they said I was narcissist
He's a mental giant well narc' assist this
Trick (trick)
Yeah (yeah)
Strange Music baby

He's a mental giant, that's what they say
He's a mental giant to those whom nay say
Oh oh oh oh oh
Hey! hey!

Hey! I'm lookin' down on you niggas
Even though I'm 5'8
And one ninety five pound on you niggas
So tall I can't even hear any of the sound you deliver
Me and my partners never see any of the hateful frowning you give us
'cause' we smile at the bitty braggin' wack rapper's
Who happen to be the best at the gat master
But down to the simple fact
Here's a strap past ya ta blast at ya
That after, the gap put him in the casket,
Last chapta, that's laughter
Half past move fast just imagine a black Dracula
Smashin' 'em with a gat to bust atcha

It went to my head as my first time
To be cocky, I'm just a giant when I burst rhyme
My leg is humongous, is y'all's verse mine?
Step on the mic I can't stop my leg like Robert Cline
Giant robot make you feel very low shame
I am so hot in my skills there be propane
Why I'm gonna squash 'em and kill every poor thang?
'cause I'm a huge Pillsbury dough man

He's a mental giant (Tech N9ne)

He's a mental giant to those whom nay say
Oh oh oh oh oh
Hey! hey!

Narcissistic, hard to grip it,
Dark and wicked, arts prolific,
Mars with the stars, this is far lifted
Lyrics quit the bar with it, bar scriptures are terrific
Getta spitta witta bit of bitter marketing'
With skrilla then a fifth of henny liquor, start to twist it
Critics sit and shiver
In the slit of zillas
Pit of killas grittas hittas
Click of silly niggas are fictitious
On top of the game, I'm droppin' the rain
Godly gifted, hop in your lane and stoppin' your fame
Bark is viscous, you got bars to witness
Y'all submissive, when I get your brain your thoughts is shifted
I'm incredible, highly technical nympho triumph, raw intricate

I need medical then more science, scar's 'n' stitches
Alphabetical gems blow by him, pause it a bit
