

I Caught Crazy! (4Ever)

Tech N9ne

(Forever and ever, and ever, and ever)
This is for those
(Forever)
That can relate
(Forever and ever, and ever, and ever)
Don't hide it
(Forever)
C'mon

I don't think anything helps
(Crazy)
But fuck being anything else
(Made me)
The animal that I became to be
That'll go really insane with these
Wicked ideas in front of the people without being nervous they lovin the kil
la they came to see
Even though he's fucked up
Mentally
Back in the day I was down it was nothing but tough luck
Sent to me
Talking to myself and I learned to talk backwards (ish)
Took that thing and I put it in a raw rap verse
(Ah)
It worked
It's perks
(But)
It hurts
(What)
It irks
Flying but I'm sinking cause the crazy things I'm thinking got you sleeping
in hearse
(My brain)
Is cursed
Closed in this hell
But my soul isn't stale
Isn't failed so sinister gotta ghost in a shell
Why
Did it fit so perfect when I was young I didn't cry
When it hit me like

I
Caught
Crazy
And I plan on keepin that shit
(Forever and ever, and ever, and ever)
Inside of me I do believe this sits
(Forever)
I
Caught
Crazy
And I plan on keepin that shit
(Forever and ever, and ever, and ever)
Inside of me I do believe this sits
(Forever)
