

# I Need A Drink

Tech N9ne

In heaven but the hell still with me  
Cops pull us over yo my name Bill Bixby  
That meaning a blink, I'ma do the opposite of shrink  
And bink ya but I do not want to clink,  
I need a drink vodka, cognac, rum, whiskey beer and tequila  
I don't wanna think, I need a drink  
Whether wine, or moonshine, whatever  
I'm just trying to ease my mind  
I need a

Big fucking cup, shit's fucking up, this fucking sucks  
Everybody broke cause they no job  
Cris stuff and puff, lit up and huff  
Pissed cuss and fuss  
Everybody told one and go rob  
Mama need John Knox village  
And that's a lot of cheese from my skillet  
But that don't matter though cause for mamas health you know money gotta go  
Radical, stab ya, no but me and the gat is compatible  
I don't know why these employers ain't calling me  
Constantly, stalling me, fuck this economy preacher be telling me read Deute  
ronomy,  
But in all honesty, it fucking astonish me  
When we broke nigga, looked at as a joke nigga  
But I'm a go getter, hop up like a fourwheeler  
The jacker dope dealer, run up in your hood  
Chopping all stood with the 'k till it was all good

In heaven but the hell still with me  
Cops pull us over yo my name Bill Bixby  
That meaning a blink, I'ma do the opposite of shrink  
An bink ya but I do not want to clink,  
I need a drink vodka, cognac, rum, whisk beer and tequila  
I don't wanna think, I need a drink  
Whether wine, or moonshine, whatever  
I'm just trying to ease my mind  
I need a

Club so I can just geek, just get to it  
Now I'm ducking every pig cause my nig blew it  
And how we sangin' on a nigga ain't a funny sight  
I still gotta get my motherfucking money right  
Hella strong I put the I in might  
Take a chunk out off a stunner with the lion's bite  
Fuck signal with nothing I ain't about to cry and gripe  
Just gonna live my every day like the Mayans right  
I ain't bullshitting, I'm a lost soul  
My kids growing and they need shits that cost dough  
My homie got shot right outside of...  
I need a cross yo,

I need a drink vodka, cognac, rum, whiskey, beer tequila  
I don't wanna think, I need a drink  
Whether wine, a moonshine, whatever  
I'm just trying to ease my mind  
I need a
