Move back move back
Everybody better back up!
Move back move back
Everybody better back up!
Move back move back
Everybody better back up!
Move back move back
Everybody better back up!

Yeah, yeah, yeah
Move it move it cause I'm comin thru bitch!
Come, come, come
Move it move it cause I'm bout ta lose it!

Everybody's losin it stoppin at nothin using it
Pushing for a voice of the people you been abusive with
Chants out in the streets are repeated until they do some shit
Masses are the tool for removal of institutionalists
The innocent just bleeding the preacher would not believe em
He's dyin for no reason the killers are out breedin
The people are all reaching for something we all see em
The evil is our freedom from balance without eden

They said (Everybody better back up! Everybody better back up!)
You ain't got no way ahead (Everybody better back up! Everybody better back up!)
We push back with patience (Everybody better back up! Everybody better back up!)
We know what y'all made (Everybody better back up! Everybody better back up!)
Cause we break it

Aye! Move back right now!
Aye! Move back right now!
Aye! Move back right now!
Aye! Move back right now!
Aye! Move back right now!
Aye! Move back right now!
Move it move it cause I'm comin thru bitch!

Everybody freakin deceivin in bad season (ya ya)
Nobody's reachin for peace in their mad legion (ya ya)
Somebody's leakin just bleedin off in the street
And with beatins from alotta heathens just beastin never had reason (ya ya)
Lotta people bellin and yellin but never do shit
Convicted felons are failin y'all make the crew thick
If we all start gellin I'm tellin you we can rule quick
Move it move it cause I'm comin thru bitch
