

She told me that she new to the city  
She got a couple friends, not many  
Where the lime and the Sprite and the Henny?  
Wanna smoke lil' mama? Got plenty like..  
Pick a strain, whatever you want you can get  
Indica, Sativa, never rolling plain jane  
I know some people if you wanna drive 50  
We ain't gonna cop any cause lil' mama got plenty

So many strains, nothing but flame, puffing the dro  
One for the brain, one for the body, one for the soul  
Running with Strange, keeping the party under control  
Up, up and away flying, how far are we gonna go?  
Smoke team in the building  
Godemis, what the deal is?  
Wrek and Nonms coming with Bernz, Felix we're fliming  
County boy got the liquor  
Casa was on a fader  
Stevie came with the greenery, mixing multiple flavors  
Whatever you want, homie  
Tell me when to say when  
How 'bout you and your friends come get with me and my friends  
And keep it real with me, girl, I don't want to pretend
