Just a teen on the block me and the young neighborhood
Niggas we was challenging each other pop lock
Then 85 the tickin stopped when niggas from LA moved in our section
I hear one of they names is Doctor Bop (Who?)
The word got around his plot's for beef
Him and his potnas if you step funny they knock your teeth
Let my nigga Sean Gasaway wear my Le Coq Sportif jacket
He said red nigga snatched it up and Bop's your thief
Let's get it back I made the call across PASEO I didn't stall
Got to the house and Bop got the jacket on (can I get it back) he said (naw)
And they older than me Bop, Marty and Tony they always ready to brawl
I didn't know back then I'll be affiliated with the mutha fuckin dogs!
