Better off keeping the wack in your neck
Back and your chest
All the way down to the ass end [?]
This passion will whet
Unintelligent, it truly be foolery
Every time you get a view of opportunity
Try to win it but you so fail
Nothing left to do but hold L's
Lying ass with a straight face
Be the first one up bitter hate case
Wanna trap it, you can never bake jakes
Better make haste when you vacate
Hang yourself, better get the slip knot
Keep your evil head away from this spot
Try to talk to me, you bound to get stopped
I'ma tell 'em bitch, keep your lip-locked

To the people speaking hella stupid
Got a message for the dummies and I'm hopin' you can hear me ayy
I'ma keep it simple when I say it, so you really get the gist of what I'm sa
yin'
When you hear me say
To the people speaking hella stupid
Got a message for the dummies and I'm hopin' you can hear me ayy
To those people crushin' the evil comin' at me with the fake shit

All I wanna say is, all I wanna say is
Shut up bitch
Shut up bitch
Aw shut up bitch
All I wanna say is, all I wanna say is
Shut up bitch
Shut up bitch
Aw shut up bitch

Hold up, hold up, hold up, hold up
Tecca N9na speaking real shit
To the people that don't feel this
Better take a fuckin' chill quick
To the vill clique and hit the killswitch
That ain't what you wanna deal with
But they still stiff on my bill bitch
I'm the one that got the mill chips
But I'm never not without the ill sick

If you coming with the lying face
Get the anger from a Zane Grey
If you knew me but you trying break
But the N9ne will hit you and will die in hate
Bust bust on a rough tough
Why you always gotta bluff muff
You can trust us to bring ruckus
Better hush up, you'll get fucked up

To the people speaking hella stupid
Got a message for the dummies and I'm hopin' you can hear me ayy
