

# Sin Miedo

Tech N9ne

Let me see (Wyshmaster on beat)  
Bring problems  
King swat 'em  
Been got 'em  
Team shot 'em  
Dreams caught 'em

Sin Miedo  
You think you move me with your tone, nah  
Sin Miedo  
Saw hate and seen devils, I make a mean fellow seem settled, 'cause I'm on a  
King level  
Sin Miedo  
You give unruly, vibe is strong, nah  
Sin Miedo  
To this mountain you're a fucking pebble, not enough things rebel, make your  
tough team peddle

Ask this, do you wanna be on my bad list?  
I done been through so much tragic shit  
And hit with sadness  
And tricked and gripped at a mental blick have did  
Magic I'ma take your evil level and match it  
I'm Scorpio but that's my cancer moon  
With no banter goons will enhance your doom  
You don't want this anger tampered with stamp your tomb  
Bitch ain't no answers in the necromancers' room

I don't ever let the frigate in my zone (No)  
Got no opposition when I get it on (Go)  
Will I let the evil in my home? (Nah)  
Give the rabid dog a bone? (Nah)  
Bring it then I'm at you with a chrome (Oh)  
I ain't scared of nobody (Not a soul)  
See I'm darker then Ozzy (Literally)  
Never step to the godly, how you gon' box me?  
Softer than Fozzie (Wocka wocka wocka)  
[?] broad me  
Won't be able to stop me  
Demons try to lock P but I got free  
I will pop thee, do you copy?

Sin Miedo  
You think you move me with your tone, nah  
Sin Miedo  
Saw hate and seen devils, I make a mean fellow seem settled, 'cause I'm on a  
King level  
Sin Miedo  
You give unruly, vibe is strong, nah  
Sin Miedo  
To this mountain you're a fucking pebble, not enough things rebel, make your  
tough team peddle

Shadows and ghosts to smoking mirrors  
Bring the battle to most, they choking with it  
Get the paddle and boat, yeah up a river  
Like I rattled the boat and broke a pillar

What's the matter with bro? I know a nigga  
We can splat and [?]  
Make it [?]  
So let's tally the vote and get this over quicker  
Ain't no fear here I appear clear when the dust settle  
My career veered when I steered near the combust [?]  
Any level impeccable DNA is inaccessible  
You are effectively checkable  
There's no trepidation when I place your head on my reticle

Flee and escape  
Before I eat your features and face  
I wage war on human beings  
I think I'm Caesar the ape  
And every rap is twisted  
These tracks get fisted (yeah)  
Then shitted on like Vince McMahon's assistant (woah)  
The Honey Badger never scared bitch, I'm there for the action (I'm there)  
Gun so big I let it rip and I'm barreling backwards (blick)  
With hella attachments (pricks)  
Prepare for extraction (come on!)  
Now you can suck your own dick with Marilyn Manson

Sin Miedo  
You think you move me with your tone, nah  
Sin Miedo  
Saw hate and seen devils, I make a mean fellow seem settled, 'cause I'm on a  
King level  
Sin Miedo  
You give unruly, vibe is strong, nah  
Sin Miedo  
To this mountain you're a fucking pebble, not enough things rebel, make your  
tough team peddle

Yeah  
G-Mo Skee  
Ayo Tech  
They call little nigga the African Honey Badger  
'Cause I ain't scared of none of these niggas  
Sin Miedo  
Welcome to the nnuthowze, bitch (Bitch)
