

Slacker: a person who shirks his work or duty
A person who evades military service in the wartime
Hehehehehe.. I know one thing man
I'm gonna have my kicks before the whole shithouse goes up in flames
Youknowwhat'msayin? heheheheh..
Eat, drink, and be merry, tomorrow you may die
That's what life's about man, good times, a little salad
Haha...

Yo yo
I'm a product of Reaganomics, neurotic
They sayin' homage is gone up, inhaling chronic
The oddest I'm stayin' honest - I'm bout to make it famous
So you can take that J-O-be and you can shove it up your anus
I ain't never understood how the world works
But I always understood why the girls twerk
for a baller not a nine-to-five
Barely makin' it with disgust behind ya eyes
So I just, grip my piece, rip off the fleece
Out to take ya lip off chief, with my peeps
We ruthless - if you got money then deuce it
Goofs get toothless, with loose off two-fifths, we useless
I want to kick it but ain't got the dough
Sneak in the concert, trip and make 'em stop the show
We gotta go! Push me and I sock the po'
Gettin' the bail from my parents is impossible

(I'm a slacker) - never did I have a lotta dough
(I'm a slacker) - smoking pot and watching videos
(I'm a slacker) - go whichever way the wind blows
Those just tuning in, I'm just lettin' you know
(I'm a slacker) - everytime I take a look around
(I'm a slacker) - stuck up on the faces around
I don't do enough, I just fool around
y'all can go to hell, how does that sound?
