SMILEY

Tech N9ne

Let it out it told me
Be a wild child
You'll be free it tells me
All the noise won't stop

This is from Tech and from Hush don't get your neck in the dust
A check-in from us and we expecting to crush better be respecti
n the tough we F'n ya up!
We smashin the bass in the trunk back with a case and a blunt
Lacin it up take it away with a fuck-uck-uck-uck... Fuck you!

Watch when you let this go dropped on a hit list yo get em
Popped in the lip quick oh shocked when you get this blow hit e
m
I'm ready for what swung some deadly war must come do it
Never can ignore that tongue red from you pores just run fluid
So fuckin sick of the racist all the religious with hatred
Claimin their faith is in God and then takin some faces off whe
n they spray shit (fuck you)
When I say fuck you I mean it I'm ready for wahtever evil you b
ring me
Fight for the angels and mangle the evil the people we fought t
ill we seen free

Everybody stares everybody says they care
But nobody fuckin does it that's deception man I swear
N if I had a fuckin dollar for every lie these people tell me
I'd make my money back from all the bullshit that they sell me
Your art does not compel me I do not think it's healthy
I do not like the way you hold the mic and take a selfie
I put it back on the rack real fast let it all out with the sna
ke and the bat
Anybody get it Imma hit em with a sedative really wanna get it
in ya head what it said was

(Yeah)
(Yeah)
(Yeah)
(Yeah)

Let it out it told me
Be a wild child
You'll be free it tells me
All the noise won't stop

(Fuck you)
