

Suffering

Tech N9ne

Tell em all tell em come on with it (c'mon)
Pack your posion in a blunt and I'mma go hit it
I ain't a stranger ta pain
I beat insane when I came had a seat in flame now I aim to reign (chyeah)

Yeah I woke up in a storm drain bong rippin
I ain't got no reason to hold on with it
Death ain't about nothin but life
Death ain't about nothin but life

Alotta trouble when they try ta keep me inside a bubble (chyeah)
Defy the muzzle then they find you deeply in a pile of rubble (chyeah)
)
They lie befuddled when I fry the struggle in a liars puzzle (chyeah)
You try ta cuddle when the time is up my reply is fuck you (chyeah)
Enormous sufferin overcoming makes tougher men
Cannot load the lovers when a hateful program got it bufferin
Crash and crush your zen take your upper grin cause of a gutter sin
When this brother wins I will never let you motherfuckers in!

I'm not the only one, they're suffering, they're suffering, they're suffering
My tainted sun, they're suffering, they're suffering, they're suffering

(They're suffering
They're suffering
They're suffering
They're suffering
They're suffer-)

He opens up to try to feel a little less
He got a little bit of feeling then there's nothin in him left
Hit the road and wonder till he fuckin wrecks
Got a little bit of pressure what a mess (what a mess)
His eyes open his heart is started from cardiac arrest
He dies choking on hope n smoking a cigarette in bed
He tried dope n grew into an infection in his chest
He dies hoping he's shootin coke in a section of his neck

I'm not the only one, they're suffering, they're suffering, they're suffering
My tainted sun, they're suffering, they're suffering, they're suffering

(They're suffering
They're suffering
They're suffering
They're suffering
They're suffer-)
