

# Take Your Halo

Tech N9ne

(You either die a hero  
Or you live long enough  
To become the villain)

When you way up high in your prayed up sky  
Displayed trust they cut then your days must die  
First you flyin up up away then you're dyin another day  
Not aligned wit kindness the denyin of watchu say  
I been dope for a long time collaborations a long line  
People ringin the phone line cause they really want N9ne love is the shown s  
ign  
But the blown minds over time they comin atcha wit the wrong kind  
Of energy like an enemy condone crime wanna finish me but infinity my song s  
hine (cyeah)  
That ain't the way it's supposed to be how they wishin the six feet below fo  
r me  
When I'm given em respect and dough for be make you never wanna connect wit  
people socially  
Gotta lay low cause outta nowhere no fair people turn on you like Fredo  
Hitcha wit the draco they'll erase ya day bro the evil wanna come and try to  
take your halo

They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em  
They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em

I'm mad still I'm mad how a great can be taken by a slimebag  
Now the 9 ask what the mind has when it can make you murder somebody dope as  
Dimebag  
If I seen ya I'ma bring ya whatever you want from Tecca N9na  
Build the king up cut you wings bruh then fall down look how we lost Selena  
Damn shame can you believe how the fam changed  
From hot and sunny with champagne to cold and gloomy and Samhain  
Wit the vamp fangs I don't know how it turn into a situation to the highest  
degree  
By the people claiming that they love us step into me then you'll see what t  
he riot could be

They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em  
They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em

They want you to be the bad guy so bad so glad  
When a ex-  
artist talkin greazy on us they are only given the shit mo gas (chyeah)  
Dirt on Strange (what?) I want you to blurt on mane (chyeah)  
Come on and bring the word on lame (c'mon) cappin is why you deserve wrong t

hangs (curved on fame)  
Say bro you need some Namu Myōhō Renge Kyō  
If you're no longer on the label (label)  
That you hate so (hate so)  
Don't be silent you got it bring that shit to the table I said

They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em  
They go from biggin you up then take you way low  
See the god in you then take your halo  
Everybody say yes until they say no  
Gotta watch em watch em watch em watch em

And I will not stop givin real opps shots  
Whatcha feel got squashed in the truth and ya still got blocked  
Because all I see them sayin it's all about me  
Hell yeah cause ya tall guap fee came from us without it y'all got free  
And you fucked up fans threaten us so what's the plan  
Talkin tough stuff man you don't really wanna buss or clutch hands  
You don't pull up you just yell sick nigga that ain't my sales pitch  
Fuckin infidels I'll take em into hell and fuck jail bitch
