

# Tell Everyone

Tech N9ne

Tell everyone hey, hey  
Tell everyone hey, hey  
Tell everyone hey, hey, ohhhhh  
Tell everyone (that we got it) hey, hey  
Tell everyone (that we solid) hey, hey  
Tell everyone (that we make it) hey, hey  
Tell everyone (that this bond we got it mean a lot to us and it's sacred) hey, hey

Tell everyone that we did that (chyeah)  
Performin' so well got us big racks (chyeah)  
So we gon' eat they know we mentally on street  
'Cause we on beat without a click track (chyeah)  
You get 1 off we gon' get some get back (chyeah)  
Try to run hoes like you tripped in mix match (chyeah)  
Makin' the dash and if he think he takin the pass  
My homes'll break 'em in half like a Kit Kat  
Tell 'em we the best though like we at a DJ Khaled show  
But I take it over like I was a klepto  
Makin' the magic when I'm movin' I be like presto  
On the path running fast I'm electro  
I am the gas what they have in the manifesto  
Try to beat us your label gonna be necro  
Tell everyone we gonna be winners wit the Tech flow  
Team is up cause everybody bring the trust  
Seen the dust from me it really mean ya suck  
The dream is just to dominate the green to crush  
Kings are us and stoppin' everything ya touch  
You don't wanna see me and my homies erupt  
99 percent is never gon' be enough  
Get that W they show me the bucks  
The voice within my head it told me to just

Tell everyone (that we got it) hey, hey  
Tell everyone (that we solid) hey, hey  
Tell everyone (that we make it) hey, hey  
Tell everyone (that this bond we got it mean a lot to us and it's sacred) hey, hey

Understand me fam  
I'm so quick they can never really catch me on a handy cam  
The fans be dwamn a winner like my family planned  
Tell everyone like I was Candyman  
Beat up heads the competitor see us tread  
All over their people were they about to beat us negative  
The fights for stripes like Adidas threads  
They need us dead but we got the sea of red  
Tell em we the coldest (chyeah)  
So much you cannot hold it I say it loud and everybody knows it  
But we not bout ta blow it (chyeah)  
Cause we got alotta soldiers and you know we comin rugged and roguish (chyeah)  
My click won we put the glitch in their system (chyeah)  
Predictions against us then you get none (chyeah)  
Affliction is what we givin when hits come  
Look at their faces I twist em like I ripped one  
I coulda put a sound effect ya prolly need the clown for that

But the crown respect is what is in the town for Tech  
Caught the L and you found regret  
Yes you are very dumb (chyeah)  
Cause you thought you was a boss something awfully scary comes  
And yeah we buried em  
My teams from a sanitarium so tell everyone

Tell everyone (that we got it) hey, hey  
Tell everyone (that we solid) hey, hey  
Tell everyone (that we make it) hey, hey  
Tell everyone (that this bond we got it mean a lot to us and it's sacred) hey,  
hey

Tell everyone (that we got it) hey, hey  
Tell everyone (that we solid) hey, hey  
Tell everyone (that we make it) hey, hey  
Tell everyone (that this bond we got it mean a lot to us and it's sacred) hey,  
hey

Tell everyone, tell everyone! Hey, hey  
Tell everyone, tell everyone! Hey, hey  
Tell everyone, tell everyone! Hey, hey  
Tell everyone, tell everyone! Hey, hey  
Tell everyone
