

# The Herder

Tech N9ne

After your fear exodus, everything you do in this world  
Ran by fear mongerers and their followers will seem extremely stupid

Od ton knight rof a dnoce taht sight si tcepsersid ta lla  
Siht eceip thgir ereh si tahw uoy dow llac a erem xelf

Haven't you hear the whole lotta murda  
From all that I serve ya giving you words ta wake and disturb ya  
Yes I got the nerve ta get em all perturbed if they don't concur  
But I know I deserve ta speak and reserve the moniker refer ta me as the her  
der (chyeah)  
The goated by the people when they hear Tech in his coldest  
Switchin wit the gears get in this motive ta give him a severe flex and it's  
loaded  
Wit so many rhyme tricks (chyeah) because of N9ne spit (chyeah)  
I design the one of a kind (chyeah)  
Rhyme for rhyme I gun up and I'm quick they find the shine when confronted w  
it mine (chyeah)  
Even wit a slow flow I make folks go like they breakin stools  
Blokes chose ta play great and rule cause those bros show that I take em to  
(chyeah)  
Another level and they would never settle for any old Joe ta write blazin je  
wels  
So dope it ain't a joke the herder cause the goats know that make em move

Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further  
We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder  
Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further  
We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder

This is not a cap they knowin N9na packin a shotta strap  
When so many rappers kickin alotta crap but when I'm up on it they know they  
gotta rap (chyeah)  
Cause the notice I flow sick and knowin the Tecca never unloaded the bogus  
So they gotta come wit some of the dopest aerobics (chyeah)  
Cause I'm giving em what is cold as the COVID (chyeah)  
Imagine when I sent the Fragile to the K. Dot his spray box is meant rattle  
When I stay droppin a lot he's in ta dabble MGK got my cray bop then he went  
ta battle  
Wit the introduction that needs none but he represent the D son  
From the midwest ya know we come look at what he did when I sent him Speedom  
(chyeah)  
So I'm not the one to rival  
Look how I made T.I. go On The Bible  
Pushed Joyner on Sriracha won the title  
Try the herder and his goats is homicidal

Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further  
We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder  
Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further

We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder

So many goats I worked with that came with Strange Lil Wayne  
T-Pain 2 Chainz but the number eight maggot truly was insane (chyeah)  
Still is a couple I did not rap wit (chyeah) maybe they don't really wanna p  
op that  
Witta boss that spit (chyeah) not that wick (chyeah) wack MC's they get a gu  
ap stack with  
All I'm tryna do is make some everlasting quality  
Music for the people with the artists who acknowledge me  
I don't mean to make you feel I'm askin for idolatry  
I can't help I looked within myself to find that god is me  
Try and came abolish me but I make no apology (chyeah)  
I am the man for the title the herder I'm the inspiration (chyeah)  
Cause I am the one that send my to the goated for their motivation (chyeah)  
Not too many send me the ups they gimme no billy but I give em the gruff  
If you don't plan on contending ya suck with the fear of the herder for the  
winning the

Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further  
We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder  
Because he knows that he got everything to serve ya  
He bust flow hella rough enough to push you further  
We must try and go for greatness get the words ta  
Speed up make em say Jesus the herder

If you say you don't agree that I should hold this title  
And when you received a Tech N9ne verse it didn't make you wanna go harder  
You're lying to yourself!
