They Know Meh

Tech N9ne

They know me everywhere I go
They know, they know, they know, they know
They know me everywhere I go
They know, they know me everywhere I go

Ayy, thought I can go to Istanbul
And not be noticed, turns out everybody know this damn tool
I go to visit, folks are with it 'cause I can spit and drool
I'm so committed, bro, the lid is, I'ma just twist and pull
Even at the old folks' home {They know me}
Stopped through to show some love, they know those songs, ayy {They know me}
They got my logos on
Grannies half swooned
They want some stab wounds
So they tried to follow me to the bathroom (Fast, pyoom)
Goddamn, everywhere they know me (Yeah), they show me (Yeah)
Love, ladies want my cream filling like cannoli (Uh)
In the west I tell her that I'm KC and not a Cali rapper (Yeah)
But it really don't matter, she want that batter out of my tally wacker, my zowy zapper (Yeah)
Off top, they know me like they got my DNA *Ayy*
Bathroom attendants know me when I'm on my va*cay*
Player like Kobe, that thing, she wanna throw me
Your girl, she beg to blow me, homie
They know me

When I think I'm creeping on the low (They know me everywhere I go)
Soon as I step out the door (They know me everywhere I go)
You don't like fame if you wanna roll (They know me everywhere I go)
Even the po' (They know, they know me everywhere I go)

We shining, see, we strutting with this glow (They know me everywhere I go)
Under our shoes, you never seen the grass grow (They know, they know, they know, they know)
The streets and at the club, the radio (They know me everywhere I go)
Up in the MO (They know)
Yeah, you hear me? (They know me everywhere I go)
