# Come Back

**Technotronic**

Ohh. Ohh

Moving, again
Comfort of the chase
Now and again
This my saving grace

(chorus)
Dead on the inside I've got nothing to prove
Keep me alive and give me something to lose
Goodbye, this time
Leaving you
I've been gone so long, so, gone so long
But I will come back
I will come back x7
For you)

Changes, changing
Back and forth again
Trading faces
Strangers in the end

(chorus)
For you x2)

I will come back x8
For you
I will come back x5
