## Technotronic

Now when I'm down on the microphone stand

ducing the band  
To make you understand  
How this is planned, I demand  
A microphone to rock the home boys  
With an instrumental to make noise  
Yo, I rock the home girls too  
I'll explain the name of the crew, yo

This beat is, this beat is  
This beat is Technotronic  
This beat is Technotronic

I saw ya posse  
But now it's me who's bossing  
So I give the orders around here  
You don't wanna get sacked so be

Get up, get up, get busy do it  
Get up and move that body  
Get up people now get down to it (before the night is over)  
Get up, get up, get busy do it  
I wanna see you party  
Get up people now get down to it (before the night is over)

We got to take a stand  
Now that we're in demand  
Party all night, cut the fight  
Do what's right and you just might  
Win a battle you never fought  
Just by checkin' this record you bought  
Over and on and on again  
Get with it and do that thing

Get up, get up, get busy do it  
Get up and move that body  
Get up people now get down to it (before the night is over)  
Get up, get up, get busy do it  
I wanna see you party  
Get up people now get down to it (before the night is over)

Oh oh yeah, oh oh yeah  
Oh oh yeah

Rollin' under the melody, rockin' over the beat  
As I'm checkin' up on the rhythm and make  
The whole sound sweet

Not like candy you taste that so you can be  
YMCØ music is good to the truth and you agree

Over and on and on and on and on and on and  
Over us all and all to all for all and all

Each for me and I for y'all,  
United we stand, divided we fall

One for all and all for one,  
United we stand, we'll get the job done

Pump up the jam  
Pump it up  
While your feet are stompin'  
And the jam is pumpin'  
Look at here the crowd is jumpin'  
Pump it up a little more  
Get the party going on the dance floor  
See, cuz that's where the party's at  
And you'll find out if you're too bad  
I don't want a place to stay  
Get your booty on the floor tonight  
Make my day  
I don't want a place to stay  
Get your booty on the floor tonight

Get up, get up, get busy do it  
Get up and move that body  
Get up people now get down to it before the night is over  
Get up, get up, get busy do it  
I wanna see you party  
Get up people now get down to it before the night is over
