Of amininaty  
The voices in between

Sun is on the shine  
Rain is on my mind  
Everything's alright  
When I'm home there  
I'm at home there  
The feeling has begun  
For the children of the sun  
The river is my life

You may be turn the one  
Sun is on the shine  
Rain is on my mind  
Everything's alright  
When I'm home there
