

Crazy Ladies

Ted Nugent

I don't need you, but I crave you tonight
It's not easy when you tease me all night
The temptation is too much for me

They possess me when they undress me
I can't trust them but I lust them
The temptation is too much for me

Crazy ladies

Crazy ladies
Crazy ladies

I won't waste them when I taste them
They drive me crazy when they chase me
The temptation is too much for me
Too much

Crazy ladies
Crazy ladies
What you tryin' to do to me
Crazy ladies
Come on baby set me free

Crazy ladies
Crazy ladies
Crazy ladies
What you tryin' to do to me
Crazy ladies
Come on baby come on

Crazy ladies
Crazy ladies
Come on baby set me free
Crazy ladies
Crazy ladies

Crazy ladies, crazy ladies
Crazy ladies, crazy ladies

The temptation is too much for me
