

Damned if Ya Do

Ted Nugent

Damn

Well I don't care if you respect me
Yeah I'm branded like a dog
I expect you to reject me
I'm sure it won't take very long

Look at me on the frontlines
I ain't afraid of no shit
I must be outta my mind
No way can't git enuff of it

Damned if I do
Damned if I don't
Damned if I do
Damned if I don't
Say what I want
Do what I wanna

And I don't care if you think I'm a loser
I don't care if you think I am god
I don't know if I will win or lose her
I just know I'm cryin out loud

Damned if I do
Damned if I don't
Damned if I do
Damned if I don't
Say what I want
Do what I wanna

I don't care if you think I'm a loser
I don't care if you think I am god
I don't know if I will win or lose her
I just know I'm cryin out loud

Damned if I do
Damned if I don't
Damned if I do
Damned if I don't
Say what I want
Do what I wanna

Damned if I do
Damned if I don't
Damned if I do
Damned if I don't
Damned if I do
Damned if I don't
Say what I want
Do what I wanna
Damned if I do
Damned if I don't

Hot damn
