

## Girl Scout Cookies

Ted Nugent

I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like a plate at night with a glass of milk  
Them butter creams go down smooth as silk  
I like a plate at night when I'm in my bed  
Never let them girl scouts, never let them go to your head  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
That coconut just drives my wild  
I get my cookies fresh from a child  
That peanut butter gets stuck to the roof of my mouth  
I like my girls scouts east north west and south  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
Girl scout cookies

Girl scout cookies  
Girl scout cookies  
Girl scout cookies  
It's alright  
It's alright bring them cookies over here  
I like them mints nobody likes them mints  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long  
Girl scout cookies  
Girl scout cookies  
Girl scout cookies  
Girl scout cookies  
I like to eat my girl scout cookies  
I like to eat them all night long  
I like to eat my girl scout cookies  
I like to eat them all night long
